H-ON Consulting

Via Lepanto 23

59100, Prato (PO)

Italy

Brush Electrical Machines Ltd, 19 September 2019

H-ON Consulting provided targeted support to make our equipment intended for the Mexican market compliant with local regulations. Working with H-ON on this project has been a successful experience, especially thanks to their expertise and speed of delivery which has fulfilled our expectations.

For this reason we recommend H-ON Consulting as a reliable and trustworthy supplier in the field of standard compliance and product certification.

Sincerely,

A handwritten signature in blue ink, appearing to read "Bregazzi", with a long, sweeping horizontal line above it.

James Bregazzi CEng, Mechanical Design Manager
