Zocco di Erbusco, 15/04/2021

**To whom it may concern**

We experienced the H-ON Consulting functional safety training programs at an advanced level.

Thanks to the trainer's expertise, we have acquired the expected knowledge about the IEC 61508, EN 62061 and ISO 13849 standards, as for their immediate implementation across company processes.

We look forward for further collaboration,

Sincerely,

**TSM SENSORS SRL**

**Maurizio Motterlini (Technical Director)**

A handwritten signature in black ink, appearing to read 'M. Motterlini', is written over the printed name of the Technical Director.
