Reference Letter

I hereby confirm that H-ON Consulting has been supporting our company in achieving the CE marking of our new automatic Welding line in compliance with the Directive 2006/42/EC.

Our collaboration with H-ON Consulting has been successful thanks to its ability to provide top quality technical and engineering services.

H-ON Consulting has proven to be a reliable partner with a high level of expertise.

Its team of experienced and passionate consultants is able to provide solutions aligned to the needs of the customer, throughout the whole project.

Sincerely,

Cesari Matteo Enrico
Production Manager
FT-IEU-PCOP/ARU
