

To: H-ON Consulting

Sovizzo (VI), 22 March 2021

To whom it may concern

H-ON Consulting has provided us with a SIL consulting service for the assessment and technical documentation preparation in compliance with the IEC 61508 standard.

We have appreciated not only the support to optimize the specification, but also the knowledge demonstrated on electronic apparatus, software and process.

We strongly recommend H-ON Consulting as a precious consultant concerning functional safety enquiries and SIL-related documentation because of their noticeable expertise.

Sincerely,

Diego SELMO
System Division
Technical Manager
