Veniano, September 09<sup>th</sup> 2020

Their speed of delivery has been one of the main reasons why we decided to choose H-ON Consulting as our supplier. Their team also demonstrated high flexibility to adapt to our needs and especially an extensive expertise in the field of CE marking (Directive 2006/42/EC) and its Minimum Health and Safety Requirements (2009/104/EC, Annex V for Italy), applied to our plant in Veniano.

We would like to recommend H-ON Consulting as a reliable partner in the field of machine conformity for its outstanding service.

Sincerely,

Andrea Baj Rossi - EHS Specialist
