

To: H-ON Consulting

Zagreb, 15.12.2020

To whom it may concern

H-ON Consulting has been the ideal partner in supporting our company in CE marking of our production lines compliance with the Directive 2006/42/EC.

Thanks to their technical knowledge and ability to provide flexible solutions, they provided us with the most comprehensive support we were looking for.

For this reason, I strongly recommend H-ON Consulting as a trustworthy consultant in any further machinery conformity project.

Sincerely,

Filippo de Fraja Frangipane

Operations Director Area South East Europe
