To Whom It May Concern

With this letter we confirm that H-ON Consulting has been consulting our company in the field of O&G with the aim to obtain EAC and UL certifications.

In particular, H-ON team has been providing technical support for the design and construction of industrial HVAC systems in compliance with the applicable regulations in Russia and North America.

H-ON managers have demonstrated a high level of professional competence and showed a constant and active involvement throughout the whole project. We have found their level of technical know-how, proactivity and availability unmatched.

What we have appreciated most is their professionalism, expertise and ability to quickly adapt to the needs of the customer.

Sincerely,

CCS
Frigel Custom Cooling Solutions S.r.l.
