

Reference Letter

With this letter we confirm that H-ON Consulting has been a supplier for our company since 2011 in the following fields:

- Support for the implementation and maintenance of BS 18001:2007
- Machinery CE marking support
- Risk assessment (ISO 12100)
- Performance level allocation and validation (ISO 13849-1 & 13849-2)
- SIL allocation and verification (IEC 61508/IEC 61511/IEC 62061)
- RAM analysis (FMEDA/FMECA, FT, ETA)

Our collaboration with H-ON consulting has been profitable and successful for a number of factors. H-ON has an exceptional ability to work cross-culturally. Throughout our projects H-ON was able to professionally and quickly adjust to diversification while remaining and working globally minded. We have found them to be our “go-to” consulting firm as the efficiency and intelligence is untouchable. We look forward to future collaborations on our projects together.
