With this letter we confirm that H-ON Consulting has been a supplier for the FERALPI Group.

Their skilled engineers have been providing assistance for the safety and compliance of our machineries in the plant of Lonato del Garda (BS) in order to obtain a CE marking.

H-ON managers have demonstrated a high level of professional competence, showing a constant and active involvement throughout the whole project. We have found their level of technical know-how, proactivity and availability unmatched.

Working with H-ON Consulting has been an extremely profitable and successful experience. For this reason, we would like to recommend them for their professionalism, expertise and ability to quickly adapt to the needs of the customer.

Sincerely,

Eric Ing. Filippini (R.S.P.P.)
