Reference Letter

I confirm that H-ON Consulting has been a supplier for Unilever providing support for the safety risk assessment of all production lines, in compliance with Machine Directive 2006/42/EC, of our plant in Caivano (Naples).

Our collaboration with H-ON Consulting has been most fruitful thanks to its ability to provide flexible solutions. H-ON has proven to have a high level of technical expertise and excellent project management skills.

Regards,

Valentino Pensato
